It's too bad you have to be a Junior, because that means you will have to wait an extra year to be a cool groovy senior like me. Have a good time next year. Seriously, you're great-so stay great. Good luck.

You better be good this summer, remember
not too good though, just
that we're seniors and we're gunna
be the meanest, the toughest,
be the roughest, the low downest

fall 1969: the intermingling

Intermingling is the union of two schools.

Intermingling is something gained, something lost.

Intermingling is making two good ideas into one great idea.

Intermingling is Helena High welcoming Helena Central.

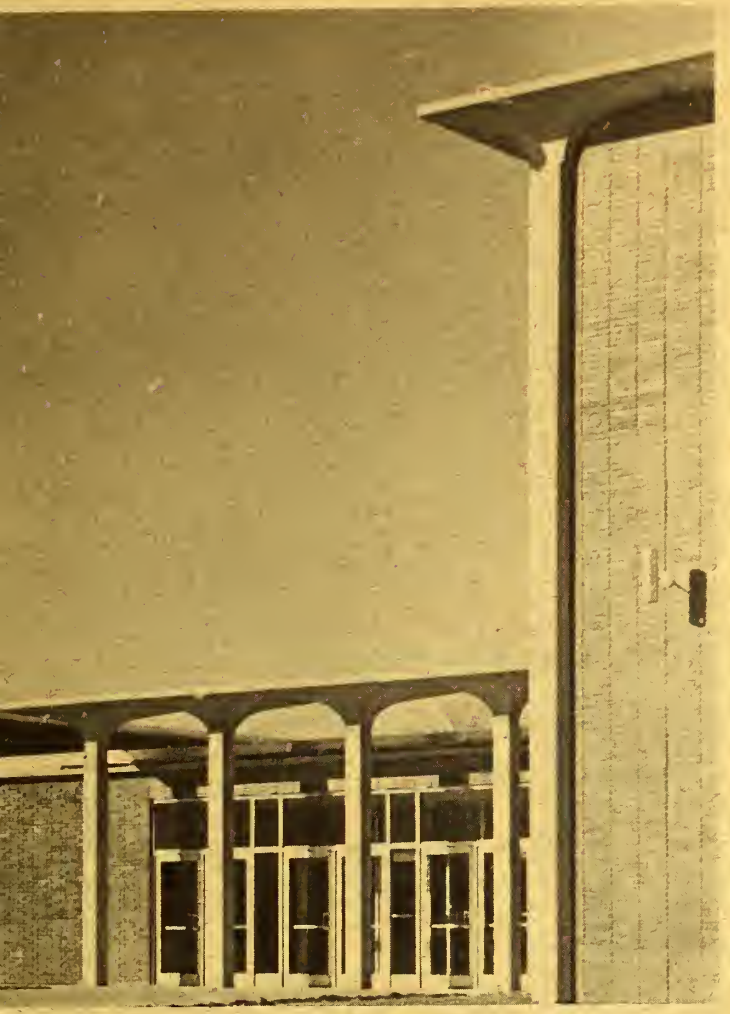
Intermingling is finding out that bigness is not really badness.

Intermingling is gaining students and organizations valuable to the development of the school.

Intermingling is not losing a school, but being able to share it.

Intermingling is realizing that there is a lot of quality in quantity.

Intermingling is the unity of the students in one school without divisions-one in all.



bengal spirit

The Cheerleaders and the Pep Club were the chief instigators of Bengal enthusiasm and spirit this year. The spirit at the first pep assembly was explosive; the students were for the first time united as Bengals, not by classes as it has been in previous years. Although the Harriers had a good season, the football team was not as victorious as was expected. As a result the initial enthusiasm was lost and the turnout at the last games and pep assemblies was minimal. The loyal supporters were with the team until the end of the season. They came out for the games even when the weather was freezing. Thanks to these students Bengal spirit was saved and revived for basketball and wrestling.

the fall scene

This fall saw many activities at school. Everyone went their own way and did their own thing. The crowds in the hall were unbelievable; especially when the Vig staff is selling yearbooks. Bob Levitan was our only representative to the Woodstock Rock Festival to have his picture in LIFE. The bonfire this fall was dominated by the senior boys who had their traditional outhouse on the scene. The Moratorium was attended by some of our students. They helped make this beautiful peace symbol on the mountain. This isn't really a student demonstration; it's just a Civics class pretending like they are a labor union on strike.

rock concerts

This fall the students of our high school were able to attend three rock concerts presented by the Associated Student Body of Carroll College. In September the Happenings made an appearance in our gym and were well received. The performance was first rate; they were definitely the best group that has appeared in Helena in years. In October the First Edition gave a concert for Carroll's homecoming. Their specialty was folk rock and one of their songs was on the top forty at the time. The Righteous Brothers were supposed to give a concert here in early November, but were unable to make it because one of them was sick. Mariele Rush and the Original Cast were here for a concert-dance at the Civic Center before Thanksgiving. The dance was between the two concerts and the Meridian Road played for it. They also played for the coronation dance which was in early November.

The teachers should be given some credit once in a while for livening up the school. Mr. Byrd does quite a good job of this in his cute little granny disguise, but somehow he's not the granny type. Mike Murphy, as we well know, keeps us all on our toes and in class as much as possible. Mr. Browning has a lively one way discussion with his class. The office ladies are always ready to help some student in distress. We aren't really aware of the English helpers, but they are busily marking up our papers as you may have noticed on your last English test.

The theme for the 1969 Coronation was Ex Caliber. Due to the efforts and planning of Miss J. V. Maronick and Mr. Fred McNamara it was a big success. A Coronation dance was held for the first time and is to become an annual affair. The princess candidates were from left to right: Robyn Wild, Mary Herrin, and Janet Duncan. Debbie Freeburg was crowned Princess Vigilante with Fay Pearson as Queen. From left to right the other queen candidates were: Nancy Madsen and Connie Rummel.

winter comes in like a tiger

. . . And hopefully it will go out like a tiger with the help of our greeeat basketball team. The Bengals started out with only one loss and had all wins from then until Christmas; it was a fantastic Christmas present! Pillatzke uses his height to out jump his opponents and attempt a basket. The ref is always right, but sometimes the crowd doesn't think so. Kermit shoots for the basket; we'll just assume that he was successful. The scoreboard tells the story, this is a typical score.

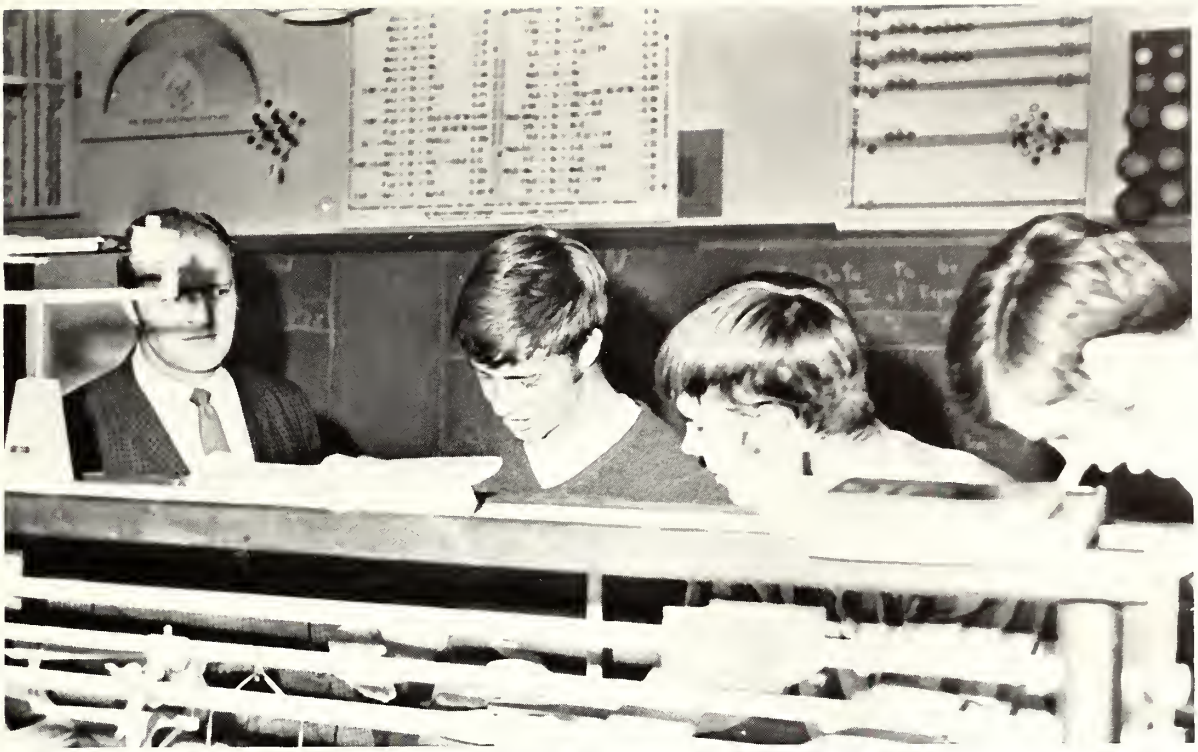
basketball pep assemblies

Enthusiasm was the key at this year's pep assemblies. Because of the team's good standing the turnout at the games was great! The crowd developed its own chant of "we're number one." One of the pep assemblies was presented in laugh-in style. Jeff Salisbury, one of the better-shaped cheerleaders, gets congratulated for his excellent cheering techniques by Brad Luck. Shelley takes care of dirty old Gary Delano just like the professional on Laugh-In. Linda shuts up the "hippy coach" from Missoula by smashing a pie in his face. Mr. Loucks gives his famous cheer for victory; it really worked this year. The Seniors wait for an assembly to begin.

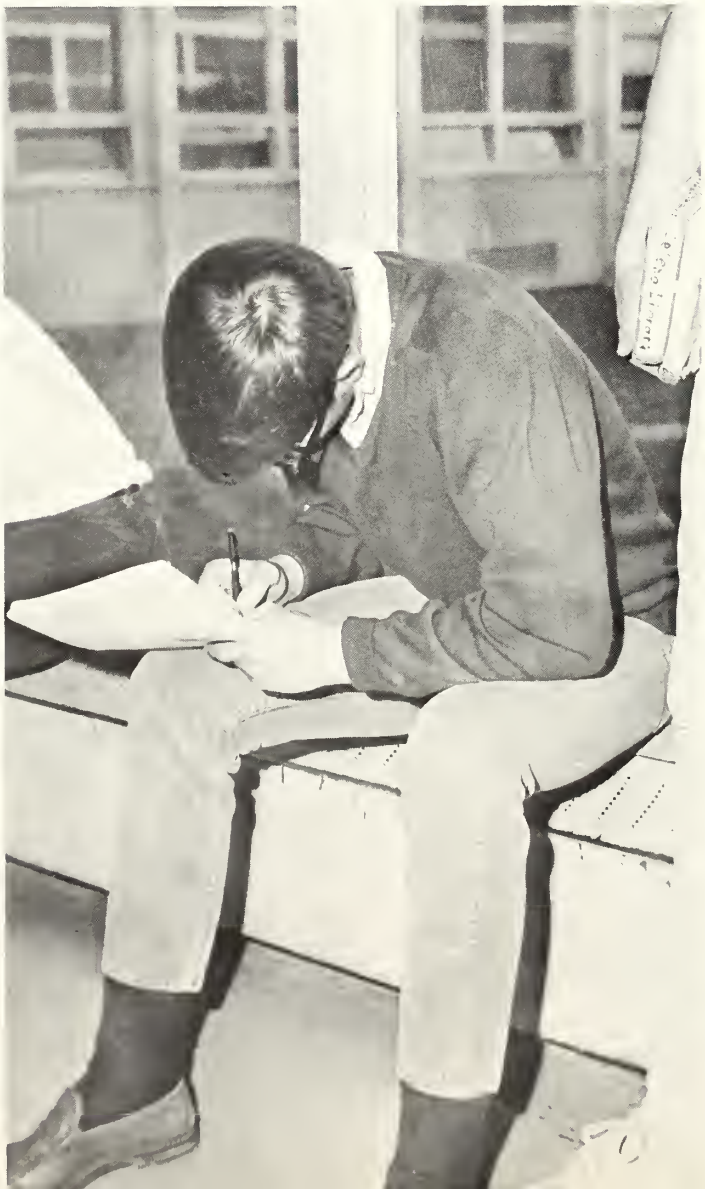
classes-the students attending them

Some of the courses offered this year were quite inspirational. Mel Hargrove anticipates the taste of the pizza in Courtship and Marriage. Miss Evans has quite a rapport with the students - she gets right in and works with them. Mr. Wooden takes a slight break while his students do their math assignments. Second year typing courses are offered at the Vo-Tech. Students have to struggle across the parking lot to get to class. Sophomore gym classes at Sunhaven are involved in a variety of activities.



in the halls

School is a mixture of work and play. Kyle does his assignment in the hall just before class, but doesn't everyone procrastinate? The Business Club (and a few extras) take time out to spread a little spirit at the Vo-Tech. Senior Hall, especially at Sixth and Main, is clogged with traffic between periods; it takes the full five minutes to get through. The Senior boys took advantage of a sunny late fall afternoon to pull their rank on the sophomores to make them pose for a picture.



students out of class

Participation in extra-curricular activities is important for a well balanced life at Helena Senior High. Kai Wai Lui helps serve refreshments as Dick Hauskens watches the 3-7's dance. Joe Kiely looks hungrily on as Kevin Larson and Mark Murray try to sell doughnuts for Key Club. This fall there was a college night where the seniors found out about the state universities. Charlie Jones makes a big sale for the junior class this fall at Tempo. The Student Council makes a decision with unaminity.

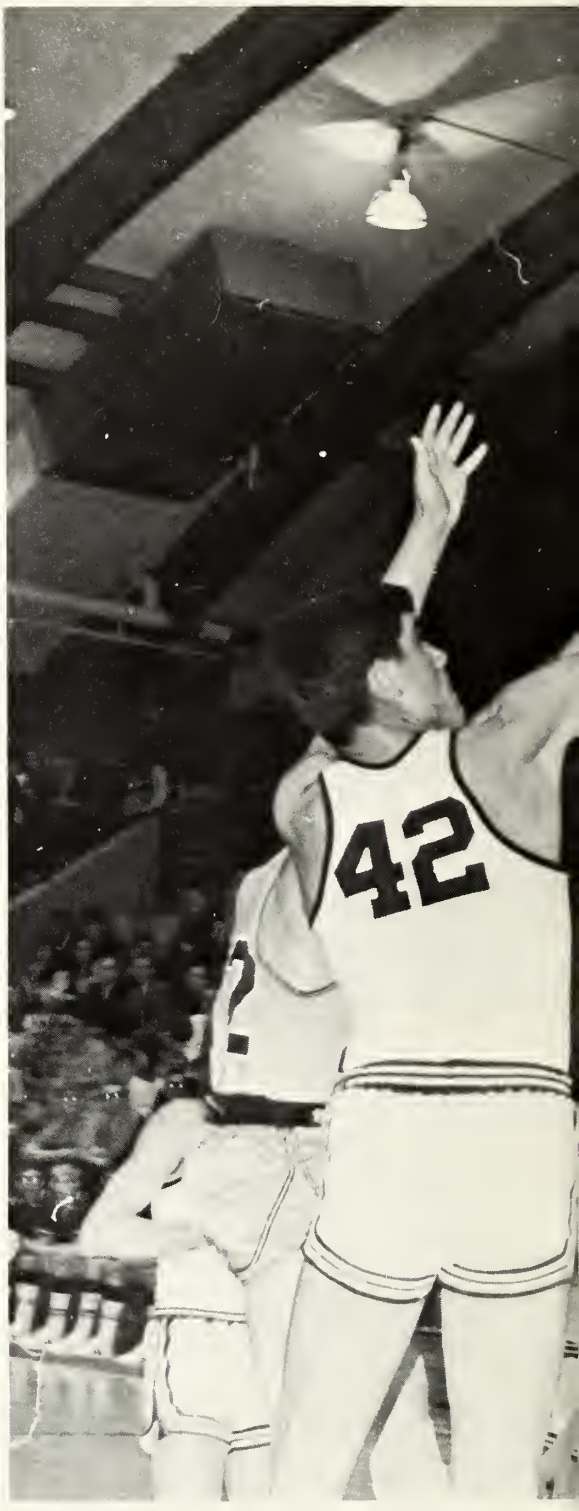
activity in the gym

The gym serves its purpose well; it is constantly in use. The cheerleaders, here it happens to be Diane Duffy, practice daily. Jim Anderson makes good use of the gymnastics equipment. The Bengalettes practice early in the mornings, sometimes at 7:30 a.m. Mr. Kinzer instructs the sophomore gym classes in the marathon. Wrestling practice is one of the daily gym activities.

cultural aspects

We are not completely devoid of culture at Helena High. The school sponsered the state orchestra festival this fall. The choral groups presented an excellent concert at Christmas. The drama department has put on several well-known plays this year; among them was ANDROCLES AND THE LION. Costuming was excellent and the acting was equally good. The cast poses for their picture following a presentation. Isolated action shots exemplify the emotion portrayed by the players.



more bengal spirit

At our home games the colors are presented by the Bengalettes; at this particular game the heads do the honors. Pat, the only first string sophomore, jumps for a rebound with that height that has earned him the nickname of "Weed." As the Lewistown team warms up, the Bengal rooters yell for the home team. Janet looks and hopes as the Bengals attempt a basket. A jump ball between Kyle and an unknown opponent comes out in our favor.

spring and people

Spring was early in coming this year much to the surprise of skiers and other winter sport lovers. In fact winter never did quite make it. The little snow we did have was quickly melted away in the sun. The change in weather didn't affect the Bengals and their great playing or Bengal Spirit any.

Much time was spent by the girls making ingenious posters. One of the most commonly seen and heard phrases around school is "We're no. 1." It could easily be stated that this was the by word at school for the 69-70 season.

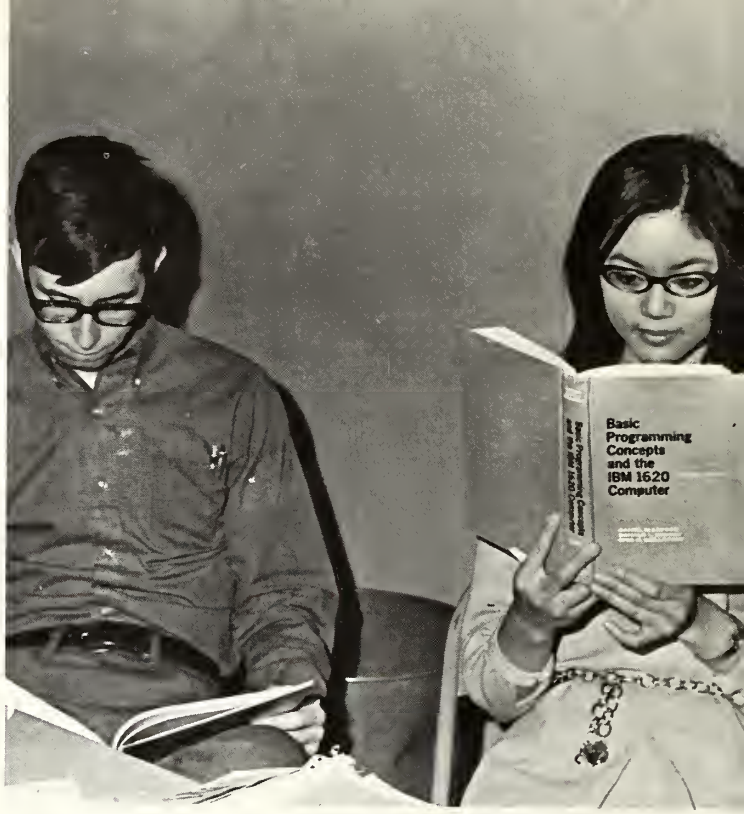
A spring atmosphere prevailed when the restless senior boys turned out for a typical family portrait - a must for every senior class.

Looking in - it's a rare sight except in the spring when everyone spends their study periods soaking up the sun.

senior mosts

Mosts have been a tradition at HHS for many years. This year we thought it appropriate to add a new most due to the renewed spirit and we decided to name it "Bengal Spirit."

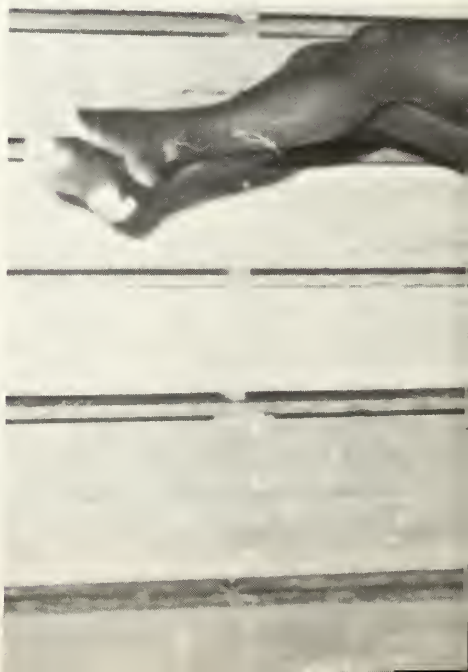
The top row: Most Athletic-Jim Chambers and Bobbi Wirth; Most Studious-Ka-Wai Lui and Dick Hausken; Most Humorous-Dave Maynard and Pam Kovick; Most Talented-Dianne Duffy and Dave Maynard. The bottom row: Most Bengal Spirit-Gary Parry and Janet Glenn; Most Likely to Succeed-Janet Harrell and Brad Luck; Most Unrewarded Services-Pam Smithwick and Dave Eaton; Most Friendly-Faye Pearson and Charlie Hart.

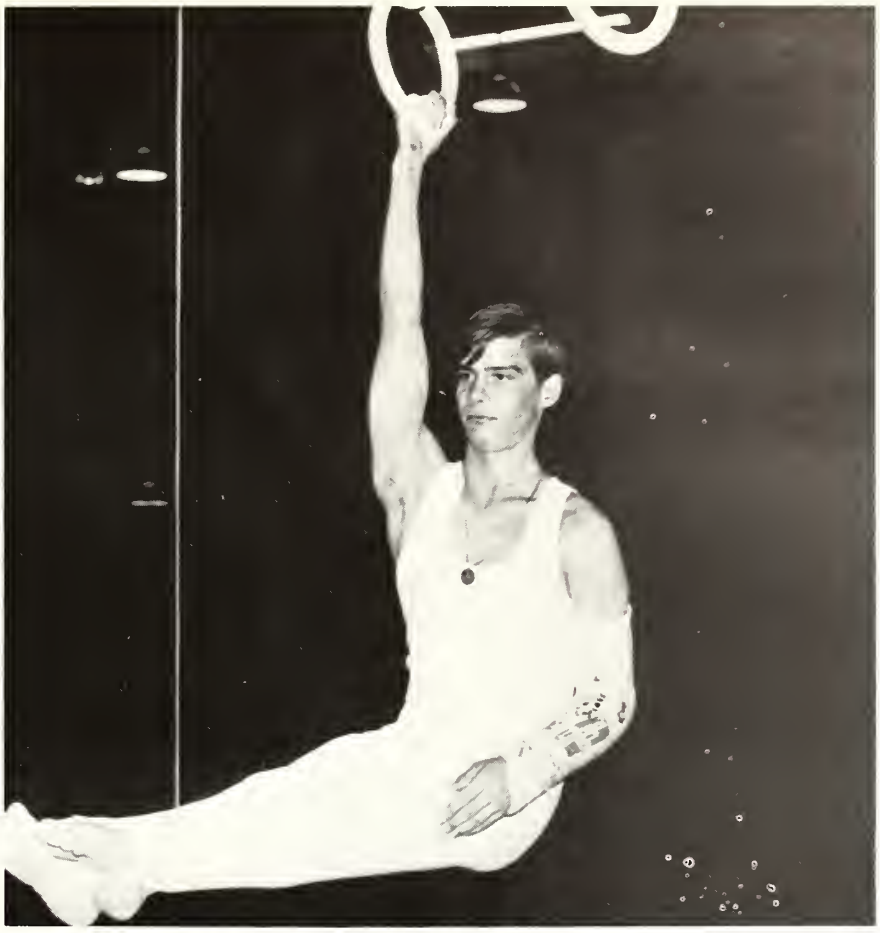


gymnastics meet

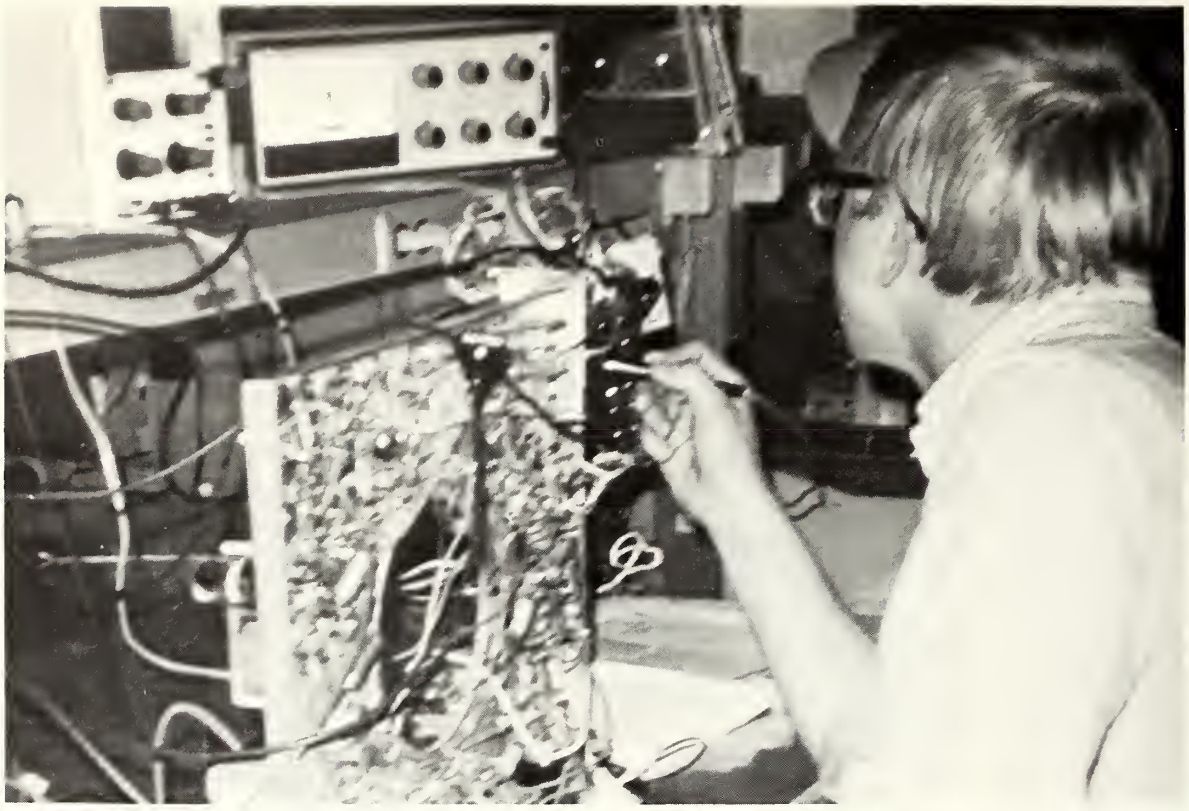
This year, for the first time, Helena Senior High has a gymnastics team - an official gymnastics team. As a result Helena sponsored its first invitational meet early in February. Previous to this the team was not officially recognized but they did surprisingly well for a first year team. Individual stunt groups have come out of the gymnastics class, the most widely recognized being the famous and infamous Guiseppe Brothers.

The team is fortunate enough to have first class equipment and alot of it.





EXIT

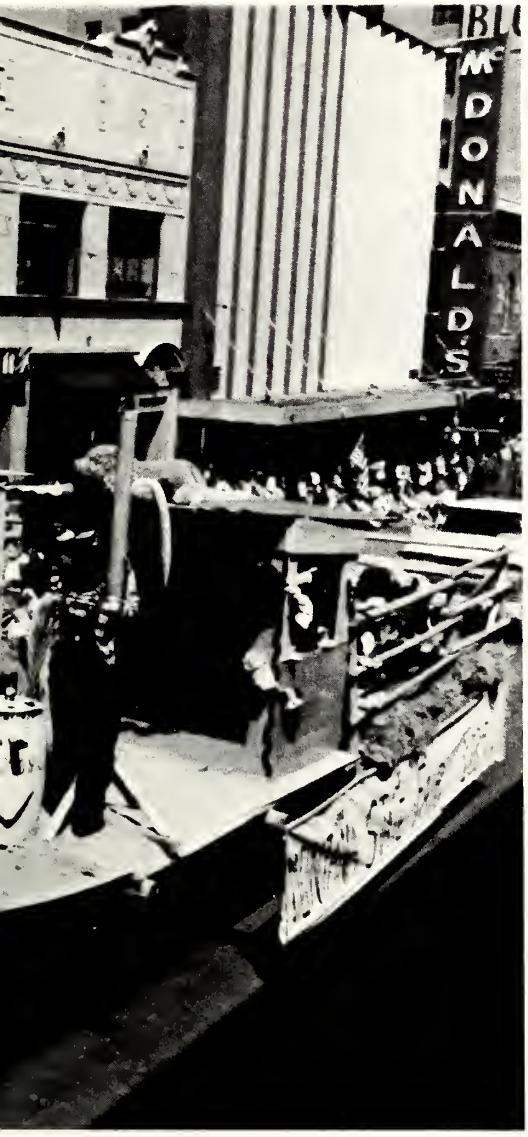


at the vo-tech

The Vo-Tech is a valuable, vital part of our school. Secretarial skills are offered to girls and auto mechanics, drafting, pilot lessons, and other classes are offered to the Helena High males. Computer programming has become a great favorite of some students although it is a two-hour class. The walk over in the winter as well as in spring is well worth it for the students planning a career in the technical fields.

Besides accepting students from the high school Vo-Tech enrolls its own students. These prospective carpenters, plumbers, welders, mechanics, etc. are taught everything that will be valuable to them in their careers.

vigilante parade



On May 9, 1969 under the bright sunshine nearly 150 vigilante parade entries moved up Last Chance Gulch to revive memories of Montana's history. This was the 42nd annual parade. The Vigilante queen was Ronna Liedle and the princess was Kris Palmquist. The major prize winners were sweepstakes, Montana State Fair 1889, winner of the most artistic award was State Nursery, the most authentic float was Helena's First Flour Mill, and in the unusual vehicles division first place was awarded to a Fire Engine. In addition, the float Civilizing the Indians placed first in its division. Winner of the Historical Division was the Mackinaw Boat, Working Mine and Ore Crusher placed first in the mining division, and in pioneer business the River Raft was first.

bengals have disappointing season

With high hopes and new spirit, the Bengals opened the 1969-1970 season with great expectations. A championship bid seemed well within reach following the opening game, which saw a spirited Bengal team crush the Bozeman Hawks 26-0. However this inspired spirit and strong desire was not so apparent in the following games. The Bengals won two more and finished the season with a disappointing 3-7 record.

Back for his second year was head coach Gene McKeever, assisting him were Dale Johnson, John Kowalski, and Gary Johnson. McKeever summed up the season by saying that although the record was not indicative of this, the Bengals came a long way toward becoming a competitive team.

In the picture at the upper right the names of the players from left to right are, first row: Tom Tillo, Alan Hines, Dick Samson, Mike Campbell, Scott Abel, Ed Miller, Ken Ditto, Rick Pyfer, John Marcinek, Luke Serratti, Kapp Johnson, second row: Nick Crawford, Mike Van Diest, Dave Dean, Ernie Bundy, Dave Olson, Jim Davidson, Eric Johnson, Jim Kelly, Keith Oleson, Brad Luck, Jim Fleming, Dennis Sheehy, Ray Wison, Jeff Salisbury, Carl Kallin, third row: Kyle Kuntz, Randy Murgel, Greg Maurer, Ed Robinson, Ron Banks, Pat Donovan, Dave Pillatzke, Jim Charlton, Ed Beniger, Bruce Mihelish, Bruce Hedge, John Blacker, Mel Hargrove, Paul Hopkins, and Joe Kiely. junior varsity has a successful season

The 1969-70 football season proved to be quite successful for the J-V squad as they finished the season with a commendable 4-3 record. The Gary Johnson - John Kowalski coaching team proved to be valuable as a feeder team for the Varsity and establishing itself as the team to reckon with in the following years. In the upper left hand corner is the junior varsity football team. The Helena Senior High School sophomore squad is pictured in the lower left hand corner. Opposite them is the Sunhaven sophomore football team.

bengal wrestlers 5th at state on home mats

The Bengal grapplers capped off an 11-7 record on the season by hosting the state wrestling tournament on their home mats. The Tournament, attracting all double "a" varsity wrestlers in the state to the Bengal gym, was run smoothly and marked by no violence but that on the mats. Held on Helena's two 40' by 40' mats instead of the three smaller mats used in Missoula the previous year, the matches were finished on schedule. As expected, Helena heavyweight Ron Banks, 19-0 for the year, came out on top of his class to grab Helena its only championship. Ron, 235 lbs., trampled all of his opponents easily in his quest for the crown. As a team, the Bengal matmen finished in a tie with Hellgate of Missoula for the fifth ranking. Also placing in the Bengals effort were seniors Bruce Meyers, runner-up at the 165 lbs. and Ken Ditto, who took fourth place at 185 lbs.

Head mentor Jack Cohn looks to an even better showing in '71 with Banks a junior this year, and several others varsity men returning.

bengals have best season in 15 years

The 1969-70 season proved to be the year of The Cat as Dick Kinzer's basketball team compiled an impressive 17-3 record. The Bengals, utilizing good height and speed, proved to be the top offensive team in the state, averaging slightly more than 80 points a game while holding their opponents to about 67 points. Key to the team's success was well rounded scoring. Leading scorer for the Bengals was junior Pat Donavon, followed closely by seniors Jim Chambers, Kyle Johnson, Dave Pillatzke, and Terry Voiles, all of whom averaged 10 points or better. The rebounding responsibilities rested with the big men, Pillatzke and Donavon, each of whom averaged about 14 rebounds a game.

The depth of the Bengal bench proved to be yet another valuable asset as seniors Gary Delano, and Kermit Eck and Junior Ed Robinson were repeatedly called upon to add fresh vigor and determination.

Reflecting on next year, Coach Kinzer feels that although we are losing some fine players, the up-coming sophomores and juniors are already talking about going to state again.

Below pictured from left to right are: Terry Rosin, Jim Chambers, Craig Olson, Greg Mortenson, Terry Voiles, Pat Donovan, Dave Pillatzke, Gary Delano, Ed Robinson, Kermit Eck, Kyle Johnson, Kapp Johnson; Kneeling are Coach Kinzer and Frank Agostinelli.

Following the state tournament which saw a spirited Helena team take second, two teams were selected. Bengals chosen to the all-tourney team were: Pat Donovan, unanimous choice, 1st team; Terry Voiles and Jim Chambers, second team; and Dave Pillatzke, honorable mention. And although no Helena players were named to the Western Division 1st team, four Bengals held positions on the 2nd team. Those selected were Dave Pillatzke, Jim Chambers, Terry Voiles, and Pat Donovan.

This years J.V.'s, utilizing much the same offense as the varsity squad, finished with an excellent season record of 13-3. Instrumental to their success were juniors Jim Charlton, Greg Allan, Andy Poole, and sophomore Randy Rucker. Although defense was lacking early in the year, it improved noticably as the season progressed. Coach Lander Fred summed up the season by saying that "This is one of the finest teams I've ever worked with." And, if the J.V.'s progress as much next year as they have this year, the Bengals should once again be a serious contender at state.

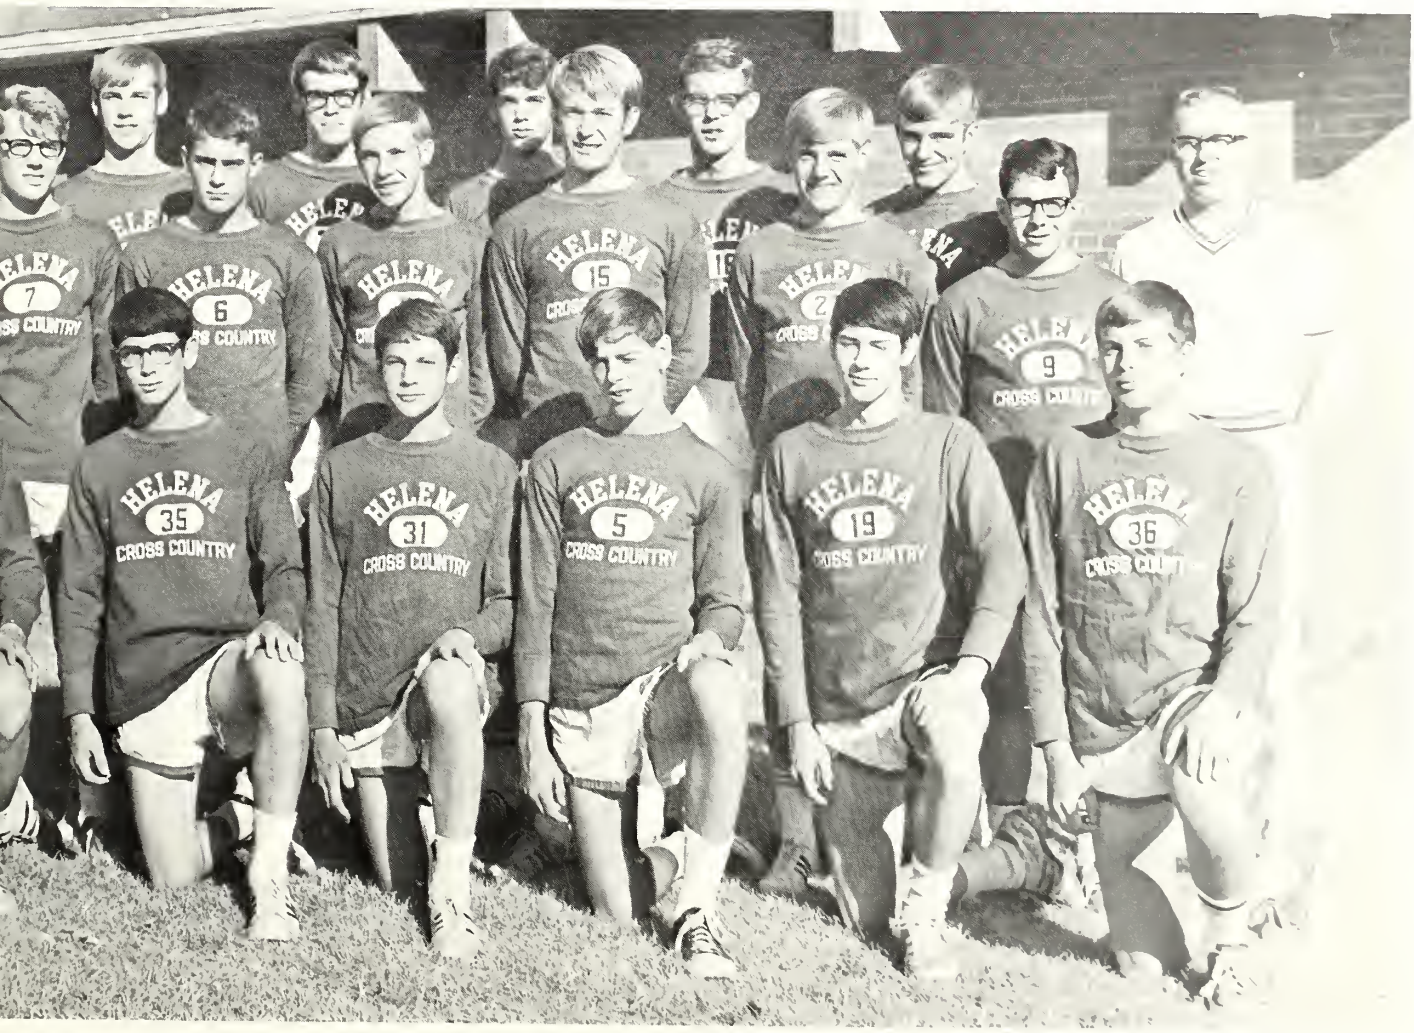
harriers runners-up at state

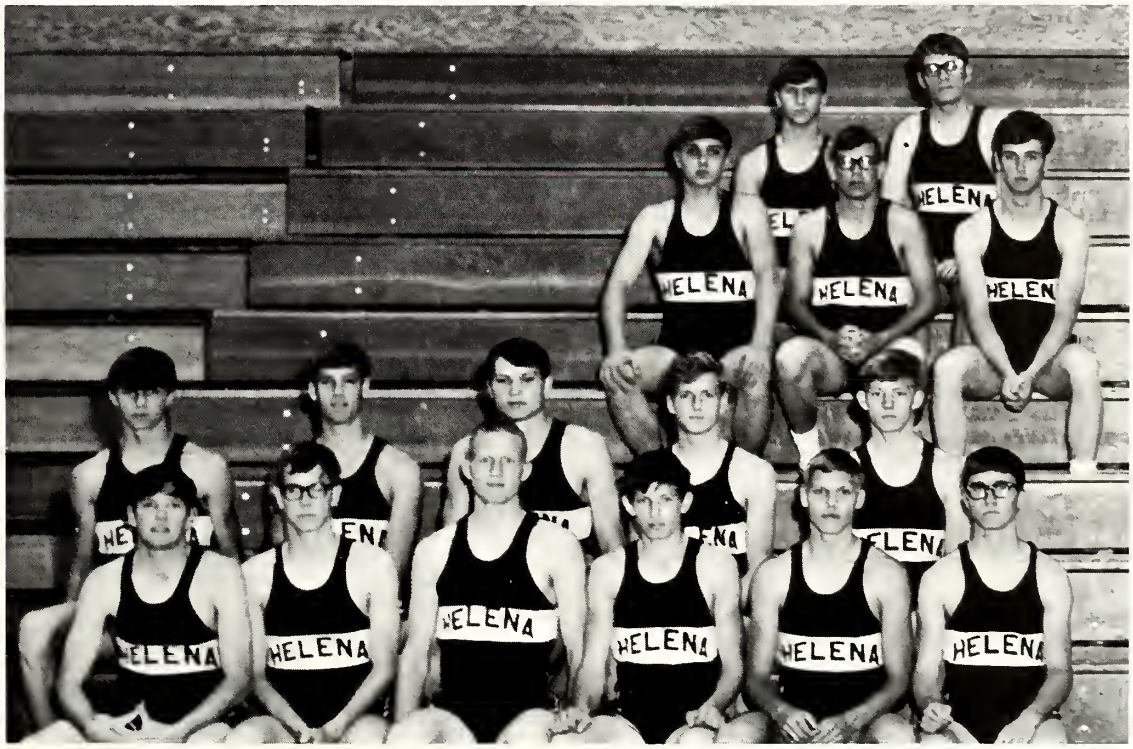
Once again the Helena High Cross Country team compiled a commendable record, finishing the season with a 6-1-1 mark. The Bengal harriers, paced by Junior Dave Pelletier, lost only once during the year, that being at the state meet where they placed second to Billings Senior. Consistent placers throughout the year were Seniors Craig Olson, Al Stockdale, Greg Mockel, Dennis Gorsich, Gregg Mortenson, and Dave Jones as well as Juniors Dave Pelletier and Scott Buzwell.

Coach Bill Gilbert, who has coached the harrier's varsity since its beginnings, is looking forward to another successful season.



track takes 3rd at state

The 1969 track team proved to have one of the most illustrious seasons going undefeated until placing 3rd at the state meet at Missoula. Included in their string of victories was the winning of the Western Divisional title, that being the second time in four years. Outstanding individuals, as well as state champions, were Dick Miller in the half mile, Barry Mortenson in the high hurdles, Joe Epler in the low hurdles, and the mile relay team consisting of Joe Epler, Dave Jones, Gary Moore, and Dick Miller. Other outstanding individuals were Dave Pelliter and Allan Stockdale, runners up, in the two and one mile respectively. The Bengals should once again look forward to a great season.



track 1970

Under the supervision of head coach Lanny Fred the 1970 Helena High track team has high hopes for a successful season. The rest of the coaching staff for the current season includes: (picture at lower left) Jim McKown, Bill Gilbert, (Lanny Fred), Dick Kinzer, Terry Beaver, and John Kowalski.

The team will be primarily dependant on its returning lettermen who are evenly distributed in juniors and seniors. The returning seniors are: Jim Anderson, Dave Dean, Gary Delano, Ken Ditto, Dave Jones, Greg Mockel, Greg Mortenson, Craig Olson, Jeff Salisbury, Al Stockdale, Mike Tobin, and Terry Voiles. Those juniors who lettered as sophomores are: Ron Banks, Scott Bushwell, Larry Dean, Mike Henry, Greg Maurer, Dave Pelletier, Dave Wheat, Pat Donovan, Dennis Kokoruda, Ed Miller, and Joe O'Neil (picture in upper center).

As the team started practice for this season there were a total of 120 boys who turned out. The first major meet that the team will participate in will be the indoor meet in Bozeman. The state track meet will be held in Missoula on May 22, completing a busy season of 13 meets.

big year for helena gymnasts

Nine weeks of intensive training in tumbling skills groomed the Bengal Gymnastics team. They worked on hand springs, walk overs, back hand springs, and various types of walk-outs used in competition.

For the first time in H.H.S. history the boys were able to compete and Gymnastics became a Varsity Sport. Another first was a meet held in Helena on February 7, 1970 in the gym. Ten schools from around the state were here. Kalispell took top honors while Helena placed sixth. Their second home meet was held Feb. 14, 1970. Other meets in which our team competed were held in Great Falls, Missoula, Kalispell and finally the State Meet held in Billings the fifth and sixth of March.

Coached by Mr. Travis and Mrs. Brainard, the Bengals are steadily climbing to the top. Through experience and many more hours of hard work we can expect even more from the team in the year 1970 and 1971. Good luck to all.

BRIDGE OVER TROUBLED WATER

When you're weary, feelin' small,
When tears are in your eyes, I will dry them all;
I'm on your side. When times get rough
And friends just can't be found,
Like a bridge over troubled water
I will lay me down.

When you're down and out,
When you're on the street,
When evening falls so hard
I will comfort you.
I'll take your part,
When darkness comes,
And pain is all around,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

Sail on silver girl,
Sail on by.
Your time has come to shine.
If you need a friend
I'm sailing right behind.

activities

vigilante

The 1970 Vigilante was carefully pieced together by Kay Baldwin, editor, and Connie Rummel, assistant editor, under the competent direction of Mrs. Karyl Johnston. Connie also served as art editor and Kay was the principal slave driver. Duke Snyder served for his second year on the staff as junior editor and chief goof-off. Two sophomore editors were objectively chosen for training; Spence Burnham and Scott Pendergast were very helpful as odd job boys and next year they will be ready for some real work. Bonnie Blanchard made an excellent assistant art editor and was an all around helper as well. Patti Bouchard, Mary Burnham, and Desera Towle were copy writers and readers although more often than not Desi had to have her copy reread by another staff member. Laura Fox and Janet Weeks did the index and helped create and maintain a romantic atmosphere in the staff room. Dave Burchett was the sports editor and had much help from Ron Bergum who was actually just the business manager but enjoyed lending a helping hand. Our knights in shining armor were the staff photographers Mr. Ray Champlin, Mike Gauthier, and Randy Greer, a newcomer, because they helped us complete deadlines in many atime.

nugget

Under the direction of editor, Randy McDonald, and with the help of the sponsor, Miss Karen Larson, the staff put seven issues of the NUGGET to press.

Kermit Eck was assistant editor and Denny Larson was the author of the feature page. Bob Koerper's column kept the public aware of all the happenings in the local sports world. Bobbi Wirth organized the advertising and the money was handled by business manager Chris Holt. The pictures were taken care of by Mike Gauthier and Mr. Ray Champlin. Mike Wong is the copy reader and Tom Naegele and Mike Dietzen take care of circulation.

With the addition of Sunhaven two new positions were established this year. Nancy Mazurek was the Sunhaven editor and sports coverage was provided by Cal Cogburn who had his own column in the last few issues.

band

The seventy-eight members of the Helena Senior High Band, led by senior drum majorette Laurie Kralicek and junior drum major Alan Grandberg, and under the direction of Harry Glorius Hardy, marched their way to a successful year. In their new concert band uniforms consisting of red jackets and black pants and marching outfits with white overlays and shoulder straps, this enthusiastic crew provided music at all home football games and also played in the Missoula Homecoming parade last fall.

8:30 in the morning is rather early for "Love Potion Number Nine" but the pep band could be heard at this hour practicing for games, routines with the Bengalettes, or their numerous out of town appearances. This group added new depth and dimension to the exciting spirit of 1970. They presented concerts at Christmas, in March, and in the spring. The coronation also saw this group performing a Veterans day service medley commemorating November 11.

Officers for the group are: Dave Larson, president; Dave Floershinger, vice president; Billetta Hodgemark, secretary; and Andy Alley, treasurer.

From a small group of four to a full orchestra of thirty-six members, this group, under the direction of Richard Shakleford, really played up a storm. Some appearances that they made in school functions were: playing for the Camelot theme at the Coronation, and participating in the State Orchestra Festival in November. The next month the orchestra played in a Choral Christmas Concert.

The orchestra had new outfits this year consisting of blue velvet and satin formals and blue dinner jackets with black tuxedo pants.

In the second semester a music theory class was set up eighth hour with Mr. Shakleford in charge.

Officers for the group were: president, Jim Massman; vice president, Paul Ulmer; secretary, Anne Diemer, and treasurer, Teresa Mehring.

orchestra

philharmonic choir

The Philharmonic Choir has this year reached its height. The 88 members, under the direction of Mr. Ray Champlin, have made it the largest vocal group in the high school. During the year they performed for the Montana School Board Association, put on their annual Christmas Concert, and performed in the Union Bank lobby. They sang at the Invitational Choral Festival in Billings and for the Montana Music Education Association in Great Falls. The Heart Fund Concert, the district choral contest, and the Annual Spring Concert will finish their busy year.

To raise money for these various performances, the members have helped at concession stands for football and basketball games.

starlighters

One of the most unrecognized groups in Helena High was the Starlighters. They gave up more of their time to project a good image of the school than any other group. The 24 members and their director, Mr. Ray Champlin, have worked long hours practicing for endless performances. They practiced five days a week and made appearances on an average of once a week. They learned about four completely different programs as well as separate contest music.

To earn money, the Starlighters put on car washes, had bottle drives and bake sales, and sold Christmas candles.

The Starlighters are selected each year by trials which are open to any high school student. A member is chosen on the basis of how well his voice fits into the sound Mr. Champlin is trying to achieve.

drama

"An Education and a Challenge" these are goals of the Helena High School theatre arts department. This year under the direction of Frederich McNamera and Jovanna Maronick, the main focus has been on self expression, rather than on acting as a career. In todays world communication is the most important part of our lives. Through theatre students are discovering how to express their innermost thoughts.

The productions for this year are "Androcles and the Lion," "Under Milk Wood," "The Boyfriend," "The Lark" and "Charlies Aunt."

bengalettes

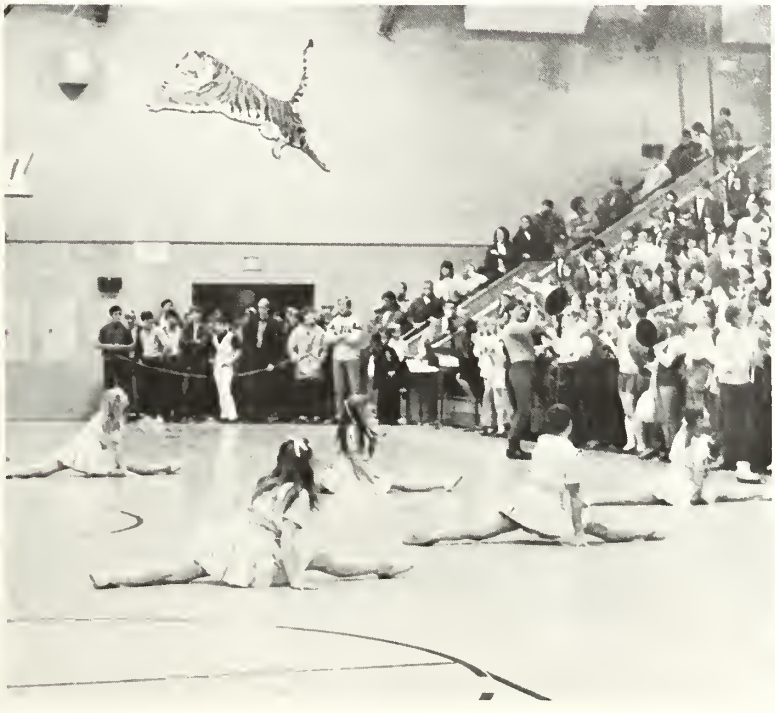
Bengalette head, Karen Shepherd, and co-heads, Susan Erickson and Tessy Galloway, worked co-operatively and diligently with Bengalette sponsor, Mrs. Marietta Peters, to produce their outstanding performances this year.

The twenty-four Bengalettes performed in pre-games, football and basketball halftimes, the Coronation, and the Class "C" Tournament. Their activities also included several parades such as the Missoula Homecoming Parade and the annual Vigilante Parade.

The other members of the Bengalettes excluding the heads include: Cheri Bourassa, Michelle Brighton, Mary Burnham, Carol Campbell, Marti Clark, Leanne Erickson, Debbie Fowler, Debbie Hegman, Nancy Holmes, Chris Holt, Debby Johnson, Wendy Kamps, Vickie Linton, Julie Olson, Kris Palmquist, Rene Perkins, Debi Rae, Debbie Reber, Debbie Rude, Lois Stockton, and Nancy Wilson.

Another great year has passed at Helena Senior High. Our Cheerleaders, led by cheerqueen Janet Glenn have done an exceptionally fine job in leading school spirit to new heights of enthusiasm. The cheerleaders practiced everyday in the gym on such difficult stunts as the back handsprings. Their sponsor is Mrs. Brainerd. The cheerleaders are juniors: Merris Christofferson, Janet Duncan; seniors: Diane Duffy, Janet Glenn, and Leanne Jacques.

cheerleaders



jv and sophomore cheerleaders

This is the first year that junior varsity cheerleaders have been elected. They cheered at all junior and sophomore games at the Senior High. Junior Varsity cheerleaders are juniors; Cathy Mudd, Vida Nichols and Laura Smithwick. The two sophomores are Loree Giles and Karen Mueller.

Sunhaven sophomore cheerleaders are Denise Claussen, Kim Dahl, Donna Evans, Dianne Graber, and Michelle Ness. They cheered at Sunhaven sophomore games. This is the first year that the sophomore class is split, thus two teams were formed.

The sponsor for the junior varsity is Mrs. Yager and the sponsor for Sunhaven sophomores is Miss Karen Munson.

3-7-77's

3-7-77's is an honorary group of 21 members whose main job was ushering for Senior High School activities. They ushered at football games, Career Night, College Night, concerts, and the Coronation.

This year 3-7-77's sponsored a Thanksgiving Dance, Mrs. Alice Schmidt and Mr. Andrew Annala, sponsors of the club, assisted the members. The theme of this dance was "Hansel and Gretel."

Among its other activities 3-7-77's sponsors the Gus Leger Memorial Fund which is a fund that gives loans to worthy college students. The chairmen for this fund were Jeff Salisbury and Ka-Wai Lui. The other officers included Craig Olson, Gary Parry, and Janet Lane.

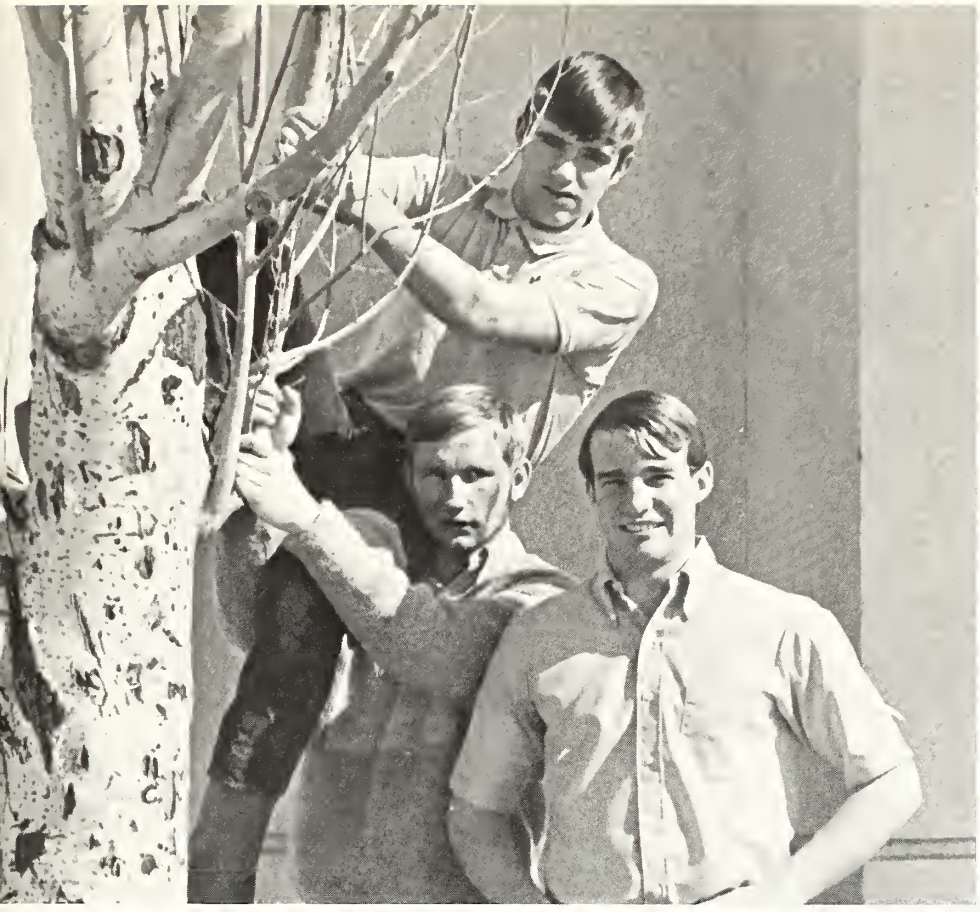
The other members were Michelle Brighton, Mary Burnham, Merris Christo Christofferson, Dave Dean, Larry Dean, Art Eustance, Ken Fiske, Mike Hallowell, Dick Hausken, Nancy Harper, Kathy Huppe, Karen Shepherd, Terry Voiles, Bobbi Wirth, Mike Wong, and Thel Wong.

key club

Key Club is a new organization at Helena High having been at Central previously. The officers for 1970 were: Joe Keily, president; John Marcinek, vice-president; Ed Walchuk, secretary; and Tom Jenko, treasurer. Rick Pyfer was Governor of Key Club for the State of Montana. Their sponsors at Helena High are Mr. Glenn Barrows and Mr. Homer Loucks.

The State Key Club Convention was held in the new athletic complex at Carroll College and was sponsored by the local Key Club. Five hundred boys from all over the state (29 other Key Clubs) spent the first weekend in March here.

Among their daily tasks around the school the Key Clubbers sell doughnuts; raise and lower the flag; and change the Bengal sign.



boys 'h club

This year's Boy's H Club was under the leadership of seniors Jim Davidson, president; Jeff Salisbury, vice-president; and Craig Olson, secretary-treasurer. The club consisted of 95 boys (and honorary girl members) who lettered in any one of the varsity sports: wrestling, track, football, basketball, cross country, tennis, skiing, and golf. In order to enter the club prospective members must submit to a grueling initiation which involves carrying boulders up to the H, whitewashing them, and eventually lighting it up.

Among other events this year was a hay ride for the members and their dates.

One of the primary jobs of H Club is to sell programs and hold ropes at the basketball games.

quill and scroll

Quill and Scroll is an International Honorary Society for High School Journalists. To qualify for Quill and Scroll a person must have sixty inches of copy in print in either the Vigilante or the Nugget or else be the editor or business manager of either.

This year the members were Kay Baldwin, Ron Bergum, Mary Burnham, Kermit Eck, Chris Holt, and Denny Larson. Not pictured were Randy McDonald, Robert Koerper, and Connie Rummel.

thespians

The Thespians, troupe 745, of Helena High originated in 1943 with the coming of Doris Marshall. In order to qualify for membership for Thespians it was necessary to put in one-hundred hours of class time and working on plays. It was also a requirement to belong to Dramatics.

This year initiation was held in the Little Theatre and was followed by a banquet at the Golden Cache. Spring initiation was also held and a trip was made to Boulder Hot Springs (Diamond S). The officers this year were Sherry Fetter, president; Diane Duffy, vice-president, Charissa Noe, treasurer; and Maria McCarthy, secretary.

The sponsors of Thespians were Mr. Fred McNamara and Miss Jovanna Maronick.

lots of fun: gaa and h-club

GAA produces many hours of fun and games throughout the year. Basketball and volleyball are the main team sports and shuffleboard and badminton are the primary single games.

Governing GAA are President Janet Rintala, First V-P Chris Holt, Second V-P Kai-Wai Lui, Secretary Cheryl Applin, Treasurer Debbie Craig, and Sribe Judy Martello.

Girl's H-Club is an honorary club within GAA run by President Shelley McHugh, V-P Rosslyn Ingman, Secretary Patti Bouchard, Treasurer Gail Hansen, and Sribe Kathy Hames. With help from Mrs. Peters these girls organized GAA.

At Christmas the H Club put on a pep assembly by acting out THE CHRISTMAS CAROL and giving the basketball team presents. The club had a dinner at semester for their five new members.

Among their money-raising activities was the running of the football concession. They also helped at the basketball games by taking tickets.

pep club

This year Helena High's pep club was one to be proud of. The enthusiastic members attended meetings every Tuesday night to prepare for the upcoming events and discuss important business. At the first meeting Janet Glenn gave a brief talk.

The girls organized the Send-off, a good-bye and good luck to the traveling teams. The girls also baked goodies for the team members; some boys even received cakes.

At their Pep assembly the senior members dressed as varsity basketball players and really showed the team how to play ball. Along with the assembly the girls staged a peaceful demonstration, they carried signs telling everyone to wear red and white to the Bozeman game. They have had two bus trips.

The girls also made some very elaborate signs to decorate the halls before and after games. Chris Bovee and Becky Larson helped paint the school red and white.

The officers of Pep Club were President Pam Smithwick (her second year); Kathy Mudd, Vice President of Membership; Vice President of Activities, Vida Nichols; Secretary, Julie Olson; Treasurer, Teresa Merhing; Senior Representative, Kathy Hunthausen; Junior Representative, Dawn DeWolf; Soph. Representative of H.H.S., Kathy McCarthy; and Representative from Sunhaven, Judy Beniventi.

forensics

The Forensics Club was under the direction of President Dea Kindred and assisted by Vice President Dennis Brosten, Sec. Dana Kindred, and Treas. Dick Trerise. Steve Palmer served as Publicity Manager.

Activities of the club this year included an Invitational Speech Meet held at the High School. There were over 500 in attendance from throughout the State. Helena walked away with the Drama Sweepstakes, and the overall Sweepstakes. In Bozeman and Missoula the Helena Speech team placed high and brought home many honors. Other meets include those in Big Sandy, Kalispell and Great Falls.

The Divisional Speech Meet will be held in Helena and the State Meet is in Great Falls this coming April. We hope the team does well.

latin

The Latin Club is sponsored by Mrs. Serena McCarthy. Officers include Eric Johnson, President; Barb Killeen, Vice President; Vida Nichols, Secretary; Annette Salisbury, Treasurer.

Latin Club has no scheduled meetings, but annually holds an initiation in the fall, a Christmas party in the winter, and a banquet in the spring.

The Helena Latin Club is part of the state and nation-wide "Junior Classical League" whose purpose is to encourage interest and study of Latin and Greek languages and history. Students of Helena High holding state offices are John Frisch, Vice President; Barb Killeen, Historian; and Vida Nichols, Secretary. Each spring a state-wide convention is held where business is discussed for the year and the officers are elected.

russian renegades

This year the Russian Club, sponsored by Miss Kathleen Ramey, achieved its major goal- to have fun.

Every student enrolled in Russian is a member of the club. All activities are planned by the officers, and are conducted on a pay as you play basis.

This year's officers were: Randy McDonald, President; Dave Eaton, Vice President; Ron Bergum, Secretary; Kirk Harlen, Treasurer; Anne Diemer, Historian; and Class Representatives Kevin Larson and Charlie Jones.

art club to europe

Many outstanding projects were tackled by Art Club this year. Plans for a trip to Europe were explained by President Sharon Davenport.

A campaign of selling Art Club calendars, which featured student art work, could only be topped by the Art Club dance. Couples danced amid psychedelic photos, to the Meridian Road at the 7th Avenue Gym.

Mobiles were fun to create but a little dangerous to hang as seen by Secretary Jane Shoquist, Treasurer Patti Bouchard, and Terry Hawbaker.

Mr. Hayes and Mr. Wadley sponsored the club and Bonnie Blanchard was Vice President.

library

This is a library. This library was built for a school of eight hundred students. Helena Senior High School now has sixteen hundred students. Look at all the students.

Listen to all the students talk.

There are two librarians. Listen to the librarians yell at the students. The students talk, the librarians yell; we have a happy library. Our happy library serves an average of seven hundred happy students every day. Hastily.

office

"Are you a senior?"

"Yes."

"Well I don't have anything to do with you seniors. You're on your own."

This is a new system which was adopted mainly to help the attendance office control confusion.

Each period of the day three or four girls help in the office. After working in the office for even a few weeks one feels like a qualified FBI agent. In trying to figure out who forged a note, who skipped what class, when, and why.

german club

The monthly German Club meetings this year were conducted by: Chris Moore, president; Clay Olson, vice-president; Lori Gibson, sec.-treas.; Christine Hansen, historian; and Mrs. Whitney, the sponsor.

Each fall the club conducts an initiation party for the new members. At their monthly meetings the club has such entertainment as commentary and slides from a girl just recently returned from Europe.

As their yearly project the German Club is supporting an orphan through the Christian Children's Fund. To raise money for this boy the club had a film festival featuring the Deigo and Jace films and earned about $95.

This summer Chris Hansen, a junior will go to Germany on a scholarship she received from the school.

spanish club

Spanish Club was under the able leadership of: Gary Parry, president; Kathy Myers, vice-president; Rene O'Rielly, secretary; Rosslyn Ingman, treasurer; and Mr. Logan, the sponsor.

In the fall the club held its annual initiation party and has followed that up with monthly meetings.

In a fund raising spirit the club conducted a bake sale prior to the state basketball tournament and sold no. 1. cookies. They also sponsored a Bengal legs contest in which the votes were cast by putting money in the jar under the ugliest legs.

This summer two Spanish Club members will spend a four week session in Mexico- Marla Morgan and Kitty Smith.

To top off the year the Spanish Club will have their annual party out at the lake.

fta

The main activity of FTA is exploratory teaching. Many juniors and seniors are placed in an actual teaching situation. Each year a fund raising project is held to provide money for a scholarship given to a worthy senior.

This year Kathy Myers was actively involved, leading the club in its many endeavors. As president of the club she ably directed the girls and other members. Other officers were: Mike Hallowell, vice president; Melanie Hoell, secretary; LeAnn Dolezal, treasurer; and Kathy French, vice-secretary-treasurer.

The aspirations of ths club included all forms of teaching, on every level. Under the direction and assistance of Mr. Reiman, boy's guidance counselor, and advisor of the club, the FTA held meetings regularly, had party after party for every occasion imaginable, and actually got quite a lot of work done.

Let's hope that the tradition of FTA will continue to prosper and become a legend in Senior High history.

fha

FHA is the largest school sponsored club in the United States. The Helena High chapter has done many projects this year. Some are a welfare party at Christmas, a sale of Zip Code books to earn money for the new National Headquarters, and a sale of Spook Insurance at Halloween to meet chapter expenses. FHA has sponsored movies and speakers on home economics careers. The chapter plans to invite a speaker on the Model Cities Plan and HOW IT WILL AFFECT THEM IN THE FUTURE will be the topic. Later on it plans to have a Mother-Daughter Banquet, a week-end trip to Boulder, and then the State Convention.

french club

At Helena Senior High there is not one, but two French clubs, a junior and a senior club. The French Clubs, this year, were sponsored by Mrs. Yeagher and Mrs. Williams. The club was very active. At the meetings, which the club held often, they planned several successful dinners and parties.

Last summer, three Senior High students were fortunate enough to travel to and visit France. They were; Susan Erickson, Louis Miles, and Virginia Nolte.

Officers were; Susan Leaphart, Barb McKenzie, Renee Perkins, and Karlee Scow.

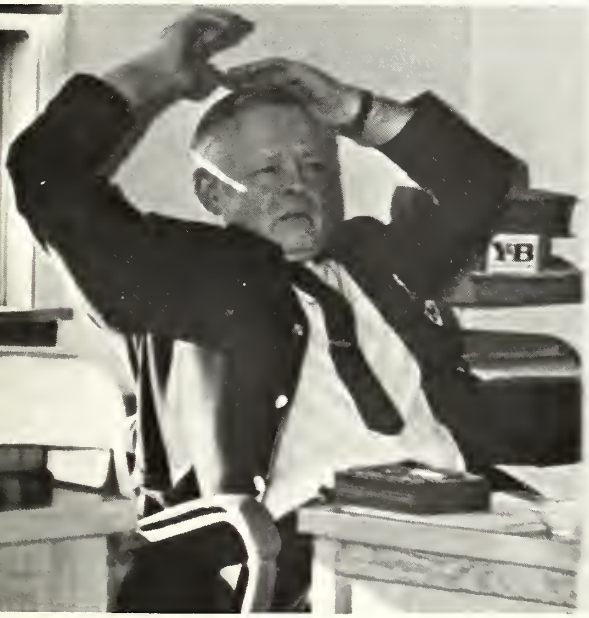
a long way to go

a day in the life of mr. loucks

and mr. voiles

A day in the life of Mr. Loucks, principal, and Mr. Voiles, vice-principal, is a very hectic one. They are always busy doing something, whether it be talking to the counselors or conducting business over the phone. Mr. Loucks showed up last fall at Helena's bon-fire and watched it burn along with the other Helena fans. Mr. Voiles takes a break and watches basketball practice. Busy as Mr. Loucks is, he always has time for his famous cheer at the pep assembly.



school board

Those school board members pictured below from left to right are Eugene Donaldson, Edward Prebil, Robert Clausen, A. G. Erickson, superintendent of schools, Maynard Olson, Edwin Jasmin, Thomas Rice, and Elmer Hausken, chairman. Those not pictured below are C. W. Leaphart, Geoffrey Brazier, Manley Mortinson, William Schmidt, and Gary Murphy. The school board concerns itself with the problems that arise within the many schools in school district number one. Their main purpose is to set school policy and to handle any money situations that may arise. Such items as teachers salaries and whether a new school is necessary are all discussed and voted upon by the school board. Each school board member is elected from the community.

AMERICAN YEARBOOK
COMPANY

Hey! I like
Sandra like
Jim to write
write on this page. But
what to write? I guess
about the Jubilee is over
enough. Good times & some bad
all in all pretty good. Except for 1 time
but I guess I want to forget about
I do. Have many hours & really smell terrible.
this summer & didn't get into TOO much trouble.
Write ya soon.

Carly "Mud" "Ll"

Mary,
Good luck always
and with all your toys
and never change because I
wouldn't know you any
other way! B. Robinson
"71"

Mari,
So one hell of a great kid you're
really understanding & a great person
to have to talk our problems with.
Remember all of our years long
friendship. Please remember us
when you are around. Just do
what you would do around us.
We all love you dont
feel like you have to
(But the way you dont
need me I'd say it
thought I'd say it
& found out.
Love ya,
Rude

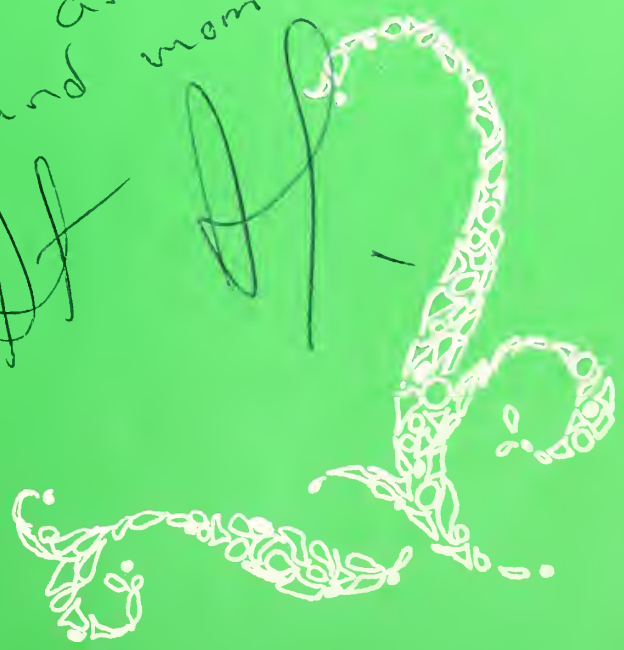
Little Sister Mary

Well I haven't been home in just about a year. I have been out drinking good. If I came home mom would have me throughout the gutters looking for food. If I came home mom would have in Hardon (redacted) maybe I will come home. Say Hi to Mom and don't forget your bf brother.


Love and prays to you and mom.
